¹ Field leaders are the 10 institutions with the most research space in a given field.

² Includes all research-performing HBCUs, including the 29 original HBCUs that have been surveyed since 1988.

³ Institutions where at least 25 percent of the undergraduate full-time equivalent enrollment is Hispanic.

⁴ Includes stand-alone medical schools.

KEY: AAMC = Association of American Medical Colleges
 HBCUs = Historically Black Colleges and Universities
 N/A = Not applicable
 * = Less than .05 million

NOTE: Components may not add to totals due to rounding.
